Not every girl who applies to get into a sorority is excepted by that sorority that's just the way it is so I don't understand why the school would be forcing this sorority to take someone in especially someone who is a man

I'm confused, don't you have to attend rush week and then be invited to become a sister at a sorority? Don't think they'd invited that big, fat weird bloke.

Like Sarah Sanders said to the nation, 'It's not normal, it's crazy' & she spoke about events in our nation, you have joined the list. That is the crazy she spoke of & you have to stand up & fight it with all your soul.

Waiting for trans rights groups to spin this saying this frozen vegetable is really a straight guy pretending to be trans to prey on women. Even IF that's true, so what? Normal Bates dressed up as his mother. Yeah that's only a movie but how often does life imitate art?

Megyn Kelly taking what should be inappropriate behavior by anyone and utilizing it to attack other people. A trans woman still has the capability to be a pervert and can be attracted to women. These complaints should be handled like any other.

79

**Michael Rios** @barbas5588 · May 17, 2023

People who obviously hate the people they're using this to attack are the same people who call women lying money hungry jilted whores when they report harassment or assault. They don't actually care about the victims.

Like 3 years ago everyone was preaching "believe all women"

It's remarkable how much the trans moment has hijacked women's rights and LGB rights.
